Location

Situated to the northern fringe of Wigan town centre in a recognised residential suburb but specifically where many commercial units are present benefitting the connectivity and passing traffic provided by Bridgeman Terrace leading onto Mesnes Road, which is one of the main thoroughfares to and from the town centre

Description

The property is a traditional mid terraced, 3 storey plus basement, former town dwelling that in recent years has been utilised for the purpose of commercial offices. Many of the properties along Bridgeman Terrace are very similar in nature of accommodation subject to adaptations having been made over the years with extensions, outriggers and reconfiguration of accommodation. To the rear of the building is a small yard area which we estimate can accommodate car parking for 2 – 3 vehicles. The accommodation provided is compartmentalised as is traditional for this nature of property with 2 – 3 rooms to each main floor accessed from a stairwell and landing and with an outrigger to the rear providing additional accommodation including WC, kitchen and offices to ground and first floor and attic archive storage to the second floor.

Services

We understand all mains services are connected to the property to include mains water, drainage and electric. Please note service connections or appliances have not been tested.
