Location

The subject premises are situated within a new development of units accessed off Bolton Road to the east of Ashton town centre. The town centre and local amenities are in close proximity with many being within walking distance. J24 of the M6 motorway is a short drive away via the A58.

Description

The 2 units within the complex are both identical in size and nature benefiting the following features. Built to modern high specification, the units benefit an eaves height of 5.25 metres and a maximum working height of 6.64 metres. Each unit will benefit entrance vestibule along with space for an office and WC. A full height roller shutter access door provides adequate servicing from the surrounding service yard and high levels of glazing offer both good levels of natural lighting and a modern attractive aspect feature to the external appearance. The surrounding site is secure and will benefit communal lighting and electric vehicle charging points.

Services

We understand mains services are connected to the property to include mains water, drainage and electric. Please note that neither service connections nor any appliances have or will be tested prior to completion
